Dragon Vein Agate helps with visualization and enhances energy. It is a very protective stone. It associates with the crown chakra but works well with all of the chakras. When the crown chakra is balanced so are the other chakras.

Purple Striped Agate brings about an emotional, physical and intellectual balance. Agates resonate a soft strength and healing property. This stone works on the third eye and crown chakras. Opening your third eye chakra can help your intuition be stronger.

Blue agate is a stone of communication, helping those who have difficulty being heard by others, or who need confidence and articulation to share their truths. It is associated with the Throat Chakra. This stone will aid you in hearing what the animals have to say and in communicating directly with them.

Green Agate is protective, helping to protect against excessive negativity while cleansing the mind to make space for good luck and fortune. It also helps you achieve balance in your life bringing about harmony and calm.

Coffee Agate is a powerful protection stone, this stone absorbs and transforms negative energy, and helps to prevent the drain of personal energy. This is the perfect bracelet when you feel like you are doubting your abilities to communicate with the animals.

Turquoise is the master healer stone. Long revered by Native tribes it is considered beneficial to the whole body. It is one of the oldest stones known to mankind and as such is truly a powerful stone. We all need a little Turquoise in our lives.
